### ONE MAN-ONE VOTE PETITION

Mattapoisett Selectmen have received a  
letter from Charles B. Dunn, chairman  
of V.O.T.E.R., informing them that the  
Mattapoisett petition to apply the "One  
Man - One Vote" concept to the Old Ro-  
chester Regional School Committee was  
delivered at 4:00 P.M. on Friday, October  
29. Mr. Dunn's letter stated that notifi-  
cation of further delay in the holding of a  
joint meeting with the Boards of Selectmen  
and the Regional School Committee made the  
filing appear necessary. Mr. Dunn stated  
that this joint meeting is important as his  
group has found that serious concern about  
the amendment is primarily due to misun-  
derstanding of content.

The petition was presented to the Town  
Clerk who has to certify the signatures  
(10% of voters necessary) and return the  
petition to V.O.T.E.R. whose representa-  
tives will present it to the Secretary of the  
Old Rochester Regional Committee. Over

## ...BETTER 'N BEN'S THE FIREPLACE STOVE

FIRE BOX: 18" HIGH; 18" WIDE; 24" DEEP  
DOOR OPENING: 9" x 13"  
WEIGHT: 143 POUNDS  
BACK PANEL: STANDARD-  
34 1/2" high x 42" wide

Note: This panel easily adaptable to most fireplaces.  
Other sizes available on request.

Better 'n Ben's is the most exciting and innovative breakthrough in woodburning stoves since the Franklin.

Uniquely, but simply designed, Better 'n Ben's is placed directly in front of the fireplace opening. The combined stove and fireplace cover panel is securely and safely fastened in minutes so the stove utilizes the existing fireplace flue.

Now, instead of the heat going up the chimney, it is recovered and will provide warmth for large rooms and in many cases, entire homes. It will burn seasoned wood throughout the night.

Homeowner reports on this new stove cite up to 60% savings in fuel oil costs and the kilowatt consumption in electrically heated homes cut more than half.

WE HONOR MASTER CHARGE

Better 'n Ben's is attractive in the home and made of sturdy, long-life, heavy, black iron that radiates heat well. It has a broad top to provide a large cooking surface.

## Parent-Teacher's Club

There has been some question in recent weeks as to the position of the Parent-Teachers' Club relative to the ongoing teachers' contract negotiations. Hopefully this statement will clarify this question.

The PTC membership is composed of parents, teachers and administrators. Consequently, in fairness to all our organization it behooves us to assume a non-partisan posture. It is commonly agreed by all parties that a swift resolution of the contract negotiations is imperative. The PTC, although neutral on the issues, is committed to our children and a resumption of a normal educational climate. Thus, we stand willing to do anything we can to aid the parties to an agreement.

The PTC is a viable organization dedicated to furthering the education of our children. We pledge to take an interested, active but nonpartisan part in the resolution of this issue. We are very approachable and welcome constructive suggestions from all sides.

The final count must be in by November 15. This is a great chance to see a professional team play hockey without having to travel very far. This game will be played at the Providence Civic Center. More info as it comes in later.

Openings in the Mites Division still exist, so if you would like your skater to participate in organized youth hockey contact Bill Vincent, 763-5783; Peter Crowley, 758-4316; or Bill Purtell, 758-6934. ## NATIONAL BANK OF FAIRHAVEN

75 HUTTLESTON AVE., FAIRHAVEN, MASS., TELEPHONE 999-5681

Some of the world's great banks are unbranched.

Like ours.

Not that we have anything against branches. It's just that most people like us right where we are. And they keep telling us so.

Instead of building branches, we've been building on. Putting it all together in one place. Right here on Route 6 where we're so easy to reach from practically everywhere. And the parking's easy.

Why don't you discover for yourself one of the world's great banks. What a real convenience our unbranched banking is. Either with Big Doc, our 24-hour teller out front. Or at our early-bird, triple-lane drive up window. Or in our main bank during regular hours.

Lots of banking options are yours when you bank with us. We're waiting for you. We want you to discover one of the world's great banks. Ours.

## Decals Save Lives

### TOT FINDER DECALS

Telephone Pioneers in cooperation with the Mattapoisett Fire Department have Tot Finder Decals for distribution to families with children or invalids. By placing one on the window of the bedroom it will enable firefighters to readily locate the occupant in case of fire or other emergency.

These decals are available at the Mattapoisett Control Center, Treasurer's Office, and from the Chief of the Fire Department.

I urge every family with children or invalids to mark the bedroom window with a Tot Finder Decal. It may save a life.

C. Keene of Water Street, was awarded first prize for his Jack O' Lantern in Plymouth. Brian's pumpkin was entered in the contest finals in Brockton where it was deemed the champion Jack O' Lantern of the entire Plymouth County.

The contest was under the sponsorship of Plymouth County 4H Clubs. Seven thousand children ages 6 to 17 were given three seeds each in the Spring. The final results were judged in four categories: 1) the largest pumpkin; 2) the most perfectly shaped pumpkin; 3) the best Jack O Lantern; and 4) the best decorated pumpkin.

## A Flip of a Coin

Editorial, D.C.J.

The recent Presidential election means many things to many people but it marks a political turning point for a nation. It could mean that slightly more than half the voters are convinced that government by federal handout is the only true course for the U.S.A. It could mean that almost half the voters know that policy means more borrowing, more inflation and ultimate disaster for the future of the country. It could mean that more than half the people want new multi-billion dollar federal socialism

such as medical care for all paid by federal funds or it may mean that almost half have observed that the British are bankrupt as a result of such practice. The election result could mean that more than half the voters reject a two party system as being too unresponsive, too hard for the leaders to manipulate and change. It could mean that almost half the country's citizens believe that complete control by one party is too repressive and dangerous to the individual and no longer democratic government in the true sense of that word. The result does demonstrate that it is more spectacular to attack and disparage a policy in existence than it is to defeat vague dreams of utopia.

The personalities of the Presidential candidates should amount to very little because there is too much at stake to let charm influence a vote. Fortunately, neither candidate displayed any personality that might have influenced the decision.

Almost half the voters can look at the election map and see where self-reliance is still an admired quality. More than half the voters can look at the same map and see where strong, benevolent government that will take care of all citizens is the ideal.

This is the United States. A great revolution has taken place in the x's of the ballot box and the victory belongs to slightly more than half of us.

President-elect Carter is full of ambitious dreams and among them is a dream of a great and strong country of democratic ideals respected throughout the world. A lot more than half of us will buy that dream and take a rain check on the rest.

theater critics, will be guest speaker at the SMU Library Associates' noon luncheon Saturday, November 20th, at Southeastern Massachusetts University. The public is welcome to attend. Proceeds will benefit the SMU Library.

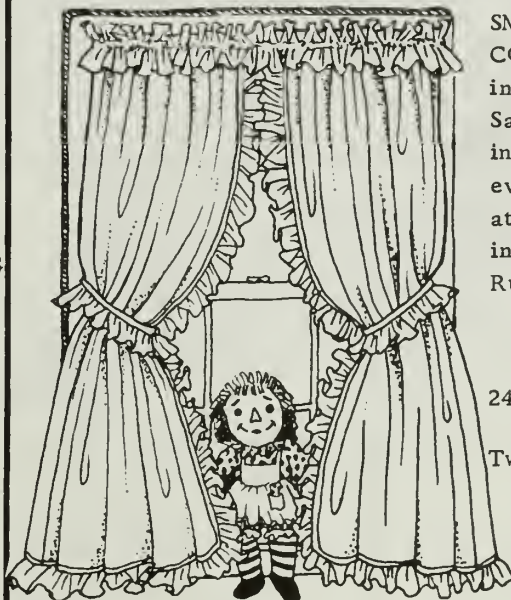

"The luncheon featuring television personality Pat Mitchell is part of a great surge of interest in closing the gap in the library's much publicized book deficiency in order to maintain the university's accreditation," says Mrs. Richard J. Ward, President of Library Associates. "We urge members of the community to participate in this worthy cause by attending the luncheon."

The Library Associates was founded by Mrs. Bernard Baker of South Dartmouth for the purpose of raising funds to help SMU retain full university status. Mrs. Hugh Carney of North Dartmouth is luncheon chairperson. Mrs. Charles Adams is in charge of tickets for the Mattapoisett area - phone 758-2105.

The featured speaker, Pat Mitchell, is a Phi Beta Kappa graduate of the University of Georgia and has a varied background both behind and

in front of the television camera. In her three years at WBZ-TV, she has hosted as well as produced a number of IMPACT specials, most notably "Yes, We Can!" and "IMPACT: Sex and Violence on Television". She was instrumental in developing the concept for her daytime informational show, WOMAN '75, a program with which she continued to maintain an active role as she moves into her co-anchor position.
